

We Continue to Break Records with TEKNOFEST

TEKNOFEST Aerospace and Technology Festival broke another record in 2024.

At TEKNOFEST 2024, 1,630,000 competitors will compete to produce the technologies of the future!

Technology competitions organized within the scope of TEKNOFEST Aerospace and Technology Festival with the vision of fully independent Türkiye broke records again. The number of applications for 2024 in the world's largest technology competitions has been announced. In TEKNOFEST 2024, where interest is increasing every year and the number of applications has reached a record, 1,630,000 competitors will compete to produce the technologies of the future.

TEKNOFEST, with the motto "You are the Future with TEKNOFEST" will host technology competitions this year across **46 main categories and 117 sub-categories** with a **prize of 30 million TL and material support exceeding 55 million TL** for technology enthusiasts who will show high performance in prestigious competitions.

1 million 630 thousand competitors will compete to be the best in technology competitions...

The Technology Competitions, which are followed with interest, curiosity and excitement that grow exponentially every year compared to the previous year, were organized for the first time in 2018 and 4333 teams applied for technology competitions in 14 different categories. TEKNOFEST, which has established a throne in the hearts of millions over the years, now breaks its own record every year. Having broken its own record last year with 337 thousand teams and more than 1 million competitor applications, TEKNOFEST continues to turn the dreams of young people into reality with **788,161 teams and 1,630,000 competitor applications this year.**

TEKNOFEST, which says "We are also in the National Technology Initiative.", carries the flag to the highest level by turning the dreams of technology-loving young people into reality, under the leadership of the Turkish Technology Team and the Ministry of Industry and Technology, with the support of Türkiye's leading technology companies, public, media organizations and universities, will provide exciting moments in Adana this year.
